## **5 Steps To Closing The Deal**

---

- Opener – opinion question, anchor it, give a time limit
- Conversation – spontaneous, neutral, natural curiosity
- Demonstrating Value – intelligent, fun, high energy
- Emotional Connection - leads to a physical connection
- The Close

# The Seduction Game

## Good Openers

---

- Approach a group with an attitude of active disinterest, not as needy.
- Be sure to put them at ease by giving a time limit: “I can only stay for a second, but I have a quick question for you.”
- Anchor it in the moment: “My buddies and I were discussing this over there. I’ve got to get back to them with the answer”

# The Seduction Game

## Good Openers

---

- Examples: “Who do you think lies more, men or women?”
- “My cousin was buying his girlfriend a cashmere sweater, and couldn’t decide whether to get a small or a medium. Which would you prefer?”
- “I can tell you have had a real problem with a guy in your past, and still have trouble trusting. Am I right?”

# **The Seduction Game**

## **Continuing the Conversation**

---

- Give them some challenges. Use trivia questions. Say anything funny or interesting.
- Start to walk away and make them ask you to stay.
- Use magic tricks or astrology. Learn to be natural, spontaneous and go with the flow.

# The Seduction Game

## Demonstrate Your Value

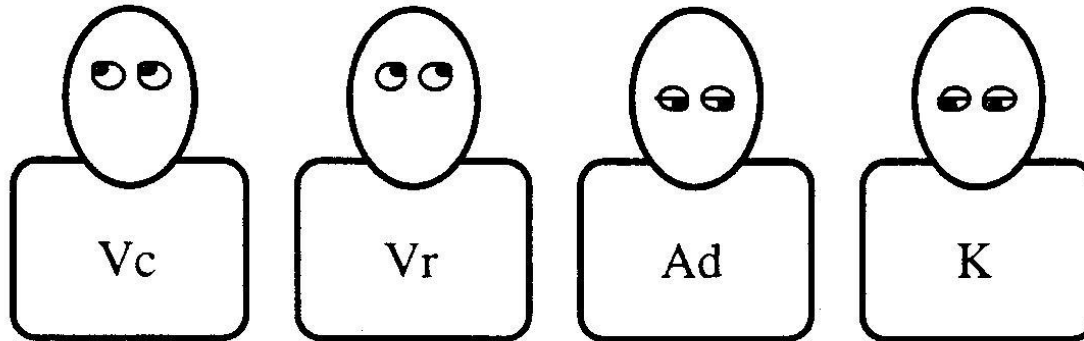

---

- Offer to introduce them to anyone in the room, but say, “They won’t be nearly as interesting as I am.”
- When she doesn’t pick out a guy, she has agreed with you that you are the most interesting.
- Emotional connection: listen, qualify, get her to jump through hoops: “Tell me five qualities you have that would make me want to stay and keep talking to you.”
- Establish emotional rapport, match and mirror her.

# The Seduction Game

## Matching and Mirroring

---

- Notice when she accesses her visual imagination, recalled memories, auditory self talk and kinesthetic feelings. Match her sequences when closing her.
- The Close: get her phone number, move her away from the group so you can talk to her, make out, take her to your house or to hers. Time to give her choices.

# **The Seduction Game**

## **More Details on Openers**

---

- Go into a club with your tribe, preferably as the Alpha.
- Enter talking, laughing, having fun, and not looking around for “chicks”. You’re cool. Be the fun group everyone will want to join.
- Have a target, but include the whole group she is with.
- Start with an opinion question. As we discussed, give them a time limit to put them at ease.

# The Seduction Game

## Oh My God Openers

---

- When a woman walks by, you say, “Oh My God, are you the girl that works over at ....? If you are and I didn’t say ‘Hi’ I would feel rude... You look just like her.”
- “Oh My God, you look just like the younger sister of the girl I dated in high school. She was really cool and smart, but she wore glasses, and I’ve often wondered what she would look like as a grown woman. Is your name ....?”

# The Seduction Game

## Oh My God Openers

---

- “Oh My God, who does she look like?” Wingman: “Rosalind Thomas?” “Yeah, you look just like the girl I took to the Junior/Senior prom. Are you from ...?”
- “Oh My God, where did you get that shirt? I had that exact same shirt and I loaned it to a girl I was dating because she needed something to wear home, and I never saw it again. Where did you get that shirt?”
- “Oh My God, can you believe that girl with the puffy hairdo? Do you think she’s got a gun in it?”

# The Seduction Game

## More Edgy Opener

---

- “My friends and I were just discussing this, and I need you to help us settle the debate. I have to get right back to them with your opinion. His girlfriend is going out and making out with a guy, she says it’s just for fun. Now is that cheating?”
- “Actually, the real question is... she is going out and making out with girls. Is that cheating?”

# **The Seduction Game**

## **General Principles of Openers**

---

- Be the fun, interesting guy. Remember this is a performance and you're going to entertain them.  
Talk about something different. Be the exception.
- Take your hands out of your pockets. Look up. Make eye contact.
- Don't wait for a laugh or a response, keep the flow going.
- Enter a group with equal or higher levels of energy.

# **The Seduction Game**

## **General Principles of Openers**

---

- Speak up and project your voice. Always keep smiling.
- Don't lean into them. Make them lean into you.
- Remember everything that was funny in the 2<sup>nd</sup> grade is even funnier now. Be silly, stupid and goofy.
- Enter a group with equal or higher levels of energy.
- Take her out of her humdrum life - her boring situation.

# **The Seduction Game**

## **General Principles of Openers**

---

- Don't use alcohol. It slows down your thinking.
- Push yourself to do the first approach, it will get easier.
- Remember a successful approach, and just go for it.
- If they are rude, always say “Pleasure meeting you.”
- Ask open-ended questions (not with yes/no answers).

# **The Seduction Game**

## **General Principles of Openers**

---

- Don't ask for permission. Don't say "excuse me."
- Go in with confidence and just begin speaking.
- Don't focus on your target. Get everyone involved.
- Be tuned in to what's going on with the group / target.
- Green light means "move forward". Yellow "proceed with caution". Red "stop doing what you're doing."

# **The Seduction Game**

## **General Principles of Openers**

---

- Calibrate your target. Know where her personal boundaries are. Step closer or away to test her.
- Find out if she's intellectual and needs mental stimulation, or if she's kinesthetic and needs physical stimulation, or if she's a polarity responder and mismatches everything you do or say.
- Find out if she is worth pursuing by qualifying her. Find out where she is in her life and what she's looking for.
- Do some negative pushaways to tease her.

# The Seduction Game

## Pushaways and Teases

---

- Use your body language to show you're not interested.
- Become the source of her validation. Build trust.
- Notice her indicators of interest.
- Be dominant and leading and hook them into your interaction.
- Use negative push phrases to put her down playfully.

# **The Seduction Game**

## **Pushaway Phrase Examples**

---

- “She’s so bossy. How do you stand being around her?”
- “Ewe, you just spit on me.”
- Prove to her friends you are not hitting on her.
- Tease the pretty girl by being cocky and funny.
- “If I weren’t gay, you would be all mine.”

# The Seduction Game

## Pushaway Phrase Examples

---

- Use negative jabs to keep her interest.
- “Not so close. Don’t get any ideas.”
- “OK, this relationship is over. You can keep the cat.”
- Anything clever that pushes her away will make her want to come back.
- Be in control. Be cool. Keep the performance going.

# The Seduction Game

## Show Your Sensitive Side

---

- Use the assumptive close. It's always on. She's digging you. Bring her along step by step.
- Show your sensitive side: "I can tell you've had a real problem with some guy in your past. You still have trouble trusting people." She will talk about her feeling and her relationships.
- Get to know her needs and desires. Let her get to know your personality.
- Make friends with the girls and guys. If you take the girl's number, take the guy's, too, out of respect.

# The Seduction Game

## Even More Openers

---

- The Game – look at the cars in the parking lot and make a game of seeing who can match the most cars with their drivers. This is an excuse to get to know people and make friends before you pick a target.
- The Bachelor Party – have a list of questions the crew has to answer by talking to people around the club.
- The Jealous Girlfriend – “I’ve just got a minute but I have a dilemma and I need your opinion. I’m out with my friends, and I’ve got to rejoin them in a second, but one of my friends has been dating a girl for three

# The Seduction Game

## Even More Openers

---

months and they are doing fine, but he is still in touch with his ex-girlfriend and his new girlfriend is getting a little jealous. How do you feel about that?”

- Listen and you can qualify your target by her answers.
- Then say, “Well, this is a two-part question actually. He also has a box of old photos and mementos from his ex-girlfriend in a box in his desk drawer and she found them and wants him to burn them. Do you agree with that?”

# The Seduction Game

## Even More Openers

---

- Anchor your question by saying, “The reason I’m asking you is to tell him if he’s out of line.”
- Then as you start to walk away say, “Out of curiosity, how do you guys know each other?”
- You can find out if your target is taken or just out with her brother or a co-worker.
- Make mental images or Strings while they are talking so you can pull them and take the conversation in the direction you want to go. You are in control.

# The Seduction Game

## Even More Openers

---

- After you have them hooked, you want to keep the conversation going as you have a seat.
- “I’ve got to get back to my friends but I’m just going to sit down for a minute, but don’t get any ideas. I can’t stay.”  
Then sit down on the edge of the chair while you continue asking them questions.
- If you’re standing, you want to reposition yourself by moving the others so that you are the center of attention and not on the outside of the group. Take the power position with your back to the bar.

# The Seduction Game

## More Quips and Teases

---

- In your own personality, give yourself a higher social value by teasing your target with a smile.
- If she says, “What do you do?” you say, “I can’t tell you. I don’t know you well enough yet.”
- If she says or does something you don’t like, say “You’re fired!”
- If she gets jealous, say out loud, “Note to self – do not date this girl.”

# The Seduction Game

## More Quips and Teases

---

- If the group is opinionated, say, “You guys are awesome, just like The View.”
- “I want to take that part of you and eat it on rice, like sushi, and I love sushi.”
- Be spontaneous and entertaining.
- If she says, “I’ve got to tell you something.” you can say jokingly, “What? You’re pregnant?”

# The Seduction Game

## More Quips and Teases

---

- “Quit your job and I’ll double your salary if you’ll just follow me around and laugh at my jokes.”
- “I might flirt, but it doesn’t mean I put out, no matter what all these guys tell you.”
- “Let’s take this slow. I don’t want to get hurt.”
- “I’ve got something to tell you... I love... your shoes.”
- “You know she’s bright, she’s funny, she’s good-looking and she’s never had a boyfriend.”

# The Seduction Game

## More Quips and Teases

---

- You can role play in jest and “adopt” her, get “engaged” or get “married” and then “divorced” to take her on an emotional roller coaster and keep her off balance.
- “I’m leaving you for a rich older women who will take care of me and pay all of my bills.”
- “Hold on... I’ve got to talk to my buddy for a minute.” and turn around and ignore her. Put her on hold and let her know you’re not chasing her. “Hey, this is guy stuff, and stop interrupting me.” Make her chase you.

# The Seduction Game

## More Quips and Teases

---

- “You girls have taken up enough of my time. I have other people to visit.” ... or entertain or visit...
- “That was good. You got 3 points for that. And if you get 12 points, you can buy me a drink.”
- “You seem to be smart and my type of lady, but I’m not sure I can trust you.” Put it back on her to sell herself to you.
- Deliver your lines like a professional actor, and smile.

# The Seduction Game

## More Quips and Teases

---

- Once you hit the hook point and you know they want you to stay, then you can do the take-away.
- “I don’t know if I can trust you. You’re moving to fast for me.”
- “I can’t talk to you. You’re just bad news.” Back her off and let her come to you. Have fun. You’re flirting.
- “I always fall for Southerners. I hate you.”

# The Seduction Game

## More Quips and Teases

---

- “That’s it. We’re getting divorced. But you get the cat.”
- “But we can’t get divorced. Our grandchildren will be So Sad, all 17 of them.”
- “I love you... I hate you... I love you... I hate you.”
- “You’re just the kind of woman my mother warned me about. You’re trouble.”
- Be like the 3<sup>rd</sup> grade childhood bully who teased them on the playground. Be cocky funny with an attitude.

# The Seduction Game

## More Quips and Teases

---

- Pretend she's hitting on you, or she's messing up her chance to be with you. You're the 10, and anything she says is inconvenient.
- Once you're in the group, you can start making up games. Bring the group into your world.
- Play "Screw, Marry or Kill" where you say "I'm going to pick out 3 people in this whole room - one for you to screw, one for you to marry, and one for you to kill. Then you can do the same for me."

# The Seduction Game

## More Quips and Teases

---

- To find out if two girls are best friends and who is subservient, say, "Do you guys both use the same shampoo?" and notice if they look at each other and who looks first. The one who looks last is the leader.
- After you establish rapport, you can tease them some more.
- "I'm trying so hard not to kiss you right now." That let's them know you're interested but controlling yourself.

# The Seduction Game

## The Instant Date

---

- Give women a feeling of trust and comfort and move the process along.
- The Instant Date – take them to a new spot. If you met them at the bar, take them to a couch. Change the environment and what you're talking about as if you have had several dates.
- Spend at least 25-40 minutes before you ask for her phone number. Then don't leave for several minutes.

# The Seduction Game

## Getting The Phone Number

---

- Don't just ask for the phone number. Start making plans or select a place to go together. You'll need to call.
- Take a piece of paper, tear it in half and write your number on it. Without saying anything, hand it to her with the pen. It'll be obvious what she needs to do.
- After you've reached the hook point and established rapport, and you sense she is interested, you want to have a few questions to keep the conversation going.

# **The Seduction Game**

## **Higher Status Questions**

---

- These questions give you a higher status while letting her contribute to the conversation:
- “If we invited our friends over to dinner, what would you cook to impress them?”
- “If you had to make a choice between having sex with the ugliest man alive, or being killed, what would you do?”
- “If you could wake up with one thing about you physically changed, what would it be?”

# **The Seduction Game**

## **Higher Status Questions**

---

- “If you could wake up with one thing about your life changed, what would it be?”
- You can discover what she is insecure about, or what she doesn’t like about herself.
- “What is the best compliment you have ever received about yourself?”
- “What is the worst insult you have ever heard about yourself?”

# **The Seduction Game**

## **Measure Her Against Your Ideal**

---

- Qualify her to see if she is worthy of your time.
- Make a list of the necessary, desirable and undesirable qualities you are looking for, both the positive and negative traits, so you can measure her against your ideal... for a relationship or a one-night stand.
- It may seem counter-intuitive, but the more you push her away, the more she will be attracted to you.

# **The Seduction Game**

## **Radiating Masculine Energy**

---

- In order to attract women, you must be centered so you can radiate your own masculine energy and be open to receive her feminine energy.
- Think about how you will know when you will have confidence.
- Only pick one target and don't change your mind.
- Don't be thinking "nice tits and ass" because she will sense it and be put off by it. Be thinking, "what a beautiful lady" and you will radiate that higher energy.

# **The Seduction Game**

## **3 Ways To Be Automatically Loved**

---

- Women want to be lead by someone who is strong.
- Stand up firm and have good posture.
- Breathe from you gut and always be centered and on purpose.
- Show your prospective lover these three things:
  - 1) you are a leader of men,
  - 2) you are approved or pre-selected by other women,
  - 3) you protect your loved ones,and she will be automatically attracted to you.

# **The Seduction Game Programmed To Be Pre-Qualified**

---

- In tribal times, women were programmed by evolution to look for the best possibility for survival and reproduction. If she could be with the leader or a friend of the leader in the inner circle, then she knew that she was safe and had more survival and reproductive prospects.
- Also, if women see that you are with other women, then they don't have to qualify you. You have already been pre-qualified because other women are already attracted to you. They can save a step. So surround yourself with women by putting yourself in the power position.

# **The Seduction Game**

## **Show Them You Will Protect Them**

---

- Show them that you will protect them right from the beginning, letting them know that they have gotten inside of your head. Tell them you don't know why but when they walk away to go to the bathroom, you miss them.
- Tell them you are thinking about her and you don't know why it's so important for you to be there for her.
- These are messages to her that you are not just going to have sex with her and leave her. In tribal times that meant she would get pregnant and be abandoned by the tribe and die with her baby.

# **The Seduction Game**

## **Decide When and How To Leave**

---

- Show her that you are there for her for the foreseeable future and she will not be abandoned.
- You are in charge and you decide when to leave the group.  
Say, “Do you want to kiss me on the cheek before I go?”  
She might kiss you or she might ask “Why should I?”  
Answer, “I just want to be sure you are satisfied and take care of you.”
- Don’t say, “Oh, so nice to meet you.” Just say, “Gotta go now. Talk with you later.” Wave and leave.
